

# CAMPUS ACTIVIST

## Job Purpose

A Protect Life Michigan (PLM) Campus Activist carries out the mission of PLM by working one-on-one with campus groups and pro-life students. The campus activist's purpose is to develop pro-life students into leaders in the pro-life movement through mentorship, coaching, and service. The Campus Activist will work in a designated area of the state (to be determined by the individual's location), and, when needed, travel statewide to assist students in other regions. Campus Activists report to the Campus Activist Supervisor.

This is a full-time position.

## Duties and Responsibilities

**Recruit: The Campus Activist will assist student leaders in creating and growing Protect Life groups across Michigan.**

Examples of this include:

- Regularly visit Protect Life campus meetings and events.
- Clipboard, table, and present on campus.
- Attend pro-life community and church events.

**Equip: The Campus Activist will seek to equip pro-life students to better communicate the pro-life message in a loving and persuasive way.**

Examples of this include:

- Conduct trainings and workshops on campus.
- Help plan and facilitate large-scale conferences and events.
- Write, review, and distribute resources to students and the pro-life movement.

**Network: The Campus Activist will work to create an environment of collaboration and unity between students and the pro-life movement.**

Examples of this include:

- Host team-building events and activities.
- Serve as a liaison between student groups and other pro-life organizations.
- Actively encourage students to pursue full-time work in the pro-life movement.
